

The Rank Prize Funds

Post-Graduate Studentships

Applications from supervisors are invited for a Rank Prize Nutrition Fund Post-Graduate Studentship in Human Nutrition, to start in October 2018. This should be at a UK institution. The maximum grant will be £10,000 pa for four years which can be used to fund partially a studentship with support from a Research Council, Charity or other source. Additional funds of up to £1,000 are available annually for the student to attend UK and/or overseas professional conferences. The application form can be obtained online at www.rankprize.org. Any queries should be addressed to The Rank Prize Funds, enquiries@rankprize.org. One application to be submitted per Department, selected and approved by the Head. The closing date is midnight 8 November 2017 and the award will be announced by 14 December 2017.
